WILLIAM A. LEWIS, B. S., A. B., LL. D.
President of The Kansas State Teachers College of
Hays since March, 1914

William A. Lewis, B. S., A. B., LL. D.

TO REAR from rather meager foundations a great educational institution is a notable accomplishment; but to perpetuate one's personality in the lives of others is still more notable. President Lewis has done both.

It is not without reason that President Lewis has become one of the leaders in his profession. A great vision of service to his state, a persistency that knows no defeat, enough of the stuff of steel in his nature to make him courageous in waging the battles of education and Christianity—these qualities, enhanced by the quiet dignity of his bearing, have won for him recognition in his field and the respect and confidence of his students. Tolerant and democratic always, he is looked upon by the students as a friend and adviser.

A wise old philosopher once remarked that some men are like silhouettes against the evening sky—striking figures for a moment, then gone; and that others, through their works, are like statues of bronze—permanent, lasting. But there is nothing transitory in the career of President Lewis. The permanency of deeds well done is one of the joys of the educational world, and President Lewis has made the best of that opportunity.

The Library

SHORTLY before the opening of school in September Miss Lulu Bice resigned her position as librarian, thus bringing to a close her long record of able library supervision at K. S. T. C. Miss Bice had been librarian for seventeen years. Her successor was not named during the year, but the library work was "carried on" under the direction of Miss Ione Miller, Miss Esther Reemsnyder, with Mrs. William McCarthy as assistant.

An appropriation of \$150,000 was granted by the 1925 legislature for the new library building, which we have needed so long. This means that the library will not have to remain in the cramped quarters it has had. According to present plans, the new building will be ready for occupancy on September 1, 1926.

Although the library renders its greatest service to the students and faculty of K. S. T. C., its field is much greater. During the year it sent out 202 books, 483 magazines, 139 package libraries and 150 plays. It served 99 cities and 189 persons.

There are approximately 12,000 volumes in the library at present. It receives 169 periodicals, besides 13 daily newspapers. However, when it gets its new home its growth will be much greater, and with increased facilities it will be able to meet better than ever the demands that are placed upon it.

In Memoriam

JOHN U. FORKER

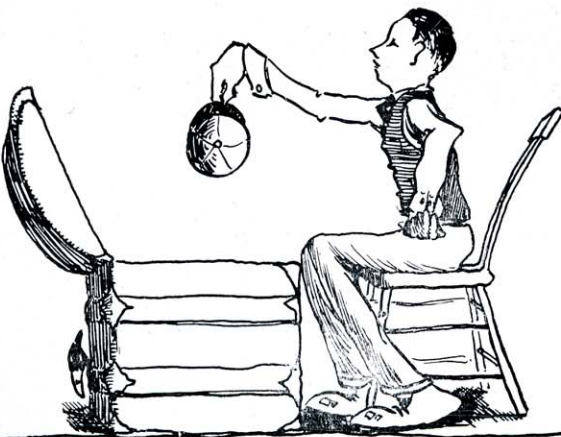

Born, January 7, 1903, Haven, Kansas

Died, April 19, 1925, Hays, Kansas

WE think of how he used to go without a thought of dread or fear, smiling at everything; then we smiled back at him. And so life is made a little brighter here, by our remembering.

The Coaches

Bill is the man who knows how to develop a football team and secure the maximum of accomplishment on the gridiron, and, better still, who knows how to bring out the best qualities in a man and convince that man that he can achieve his purpose. He is the one who, by his own fair play, skill, determination and strategy, sets so fine an example to those who have the privilege of benefiting from his mentorship. "Bill" Weidlein, our football coach, we are back of you.

Frank Mandeville came to K. S. T. C. Hays in the fall of 1923 and at a time when athletics of the school, with the exception of football, were at the lowest level. But in the incredible time of two years he has produced marvelous results: first, by placing the 1925 basketball team third in the conference, the highest a team has ever stood; second, by putting out a baseball team that finished third in the conference. Mandy also developed a track team that made a very creditable showing in the conference, although handicapped by inexperience.

"Mandy" is a strong supporter of the famous "Old Tiger Fight" theory which has carried the Tiger team to many a victory, and it is needless to say that the K. S. T. C. Hays is justly proud of Coach Mandeville.

All-State Guard '24

Yea, Tigers---Let's Go

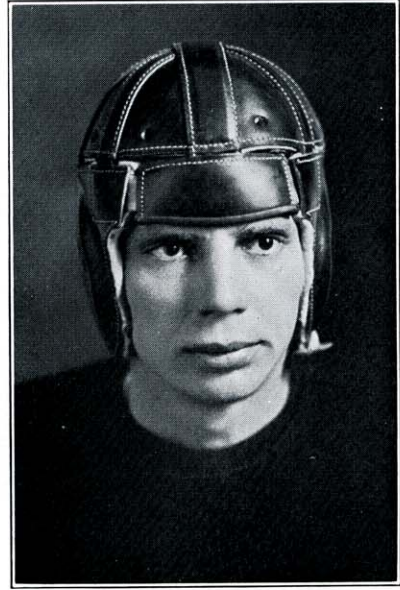

A season of upsets, of joy and gloom, of an unbelievable slump and brilliant performance. That was the 1924 football season of the Kansas State Teachers' College of Hays, from the depths of defeat from McPherson to the height and glory of a victory over Sterling. Fifteen out of the sixty-five men out for football were lettermen. The outlook for the Tigers was exceedingly bright.

The Tigers defeated St. John's College of Winfield, September 28, in the first game of the season on the Lewis field by a score of 31-6. St. John's only score resulted from a Tiger fumble on St. John's five-yard line.

Bring on Emporia Teachers was the next cry of the Tigers, and Emporia did come October 4, much to the sorrow of the Hays Tigers, as they carried away the big end of an 18-2 score. The Tigers' only score came in the first quarter, when an Emporia punt was blocked and recovered behind their own

goal line. Enthusiasm ran high in the Tiger stands. But the Yellow Jackets came back the next quarter and scored two touchdowns by taking advantage of the breaks. Then in the third quarter the Yellow Jackets went over for their third touchdown. The Tigers tightened and made a desperate attempt to score during the final quarter, but their efforts were in vain.

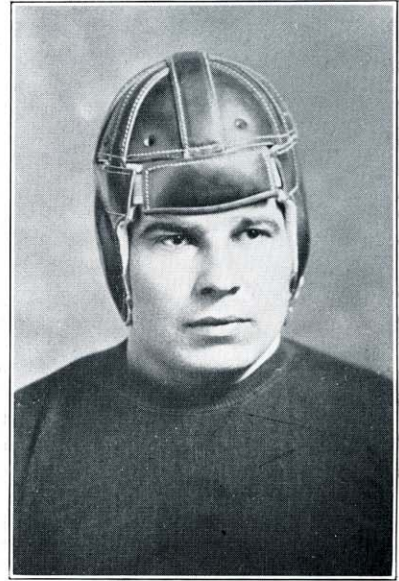

On October 10, the Tigers journeyed to McPherson. The Tigers held the advantage of a 0-0 score until the fourth quarter, when it seemed that everything went wrong and the Bulldogs in 12 minutes of play put over 3 touchdowns.

When the final whistle blew, the score was McPherson 20—Tigers 0. The first three-quarters of the game comprised a battle with an even break on the part of both teams. No aerial work was attempted on account of the wind.

Things were looking dark. Bill Weidlein put the squad through strenuous workouts. The reaction of a two weeks' stirup came October 18, when the Tigers defeated the Wesleyan Coyotes 13-3. The old tradition of holding the Coyotes from crossing our goal line still stands.

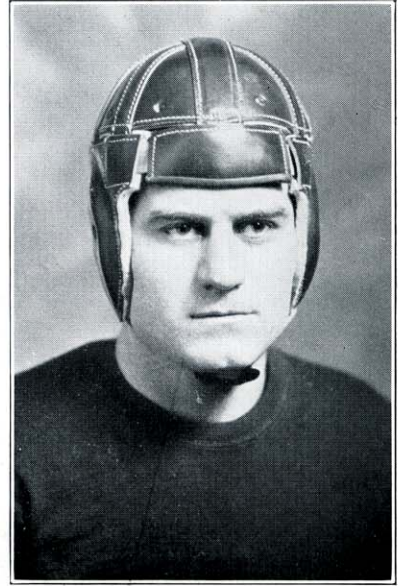

Neither team scored during the first half, which was played in the Coyotes

territory. Wesleyan made their only score in the third quarter, when they placed kicked from the 30-yard line. The third quarter ended with the Tigers on the Coyotes' 5-yard line. At the beginning of the fourth quarter, Reed plugged the ball over for a touchdown. MacKenzie intercepted a Coyote pass and ran 15 yards. The game ended—Tigers 13, Coyotes 3.

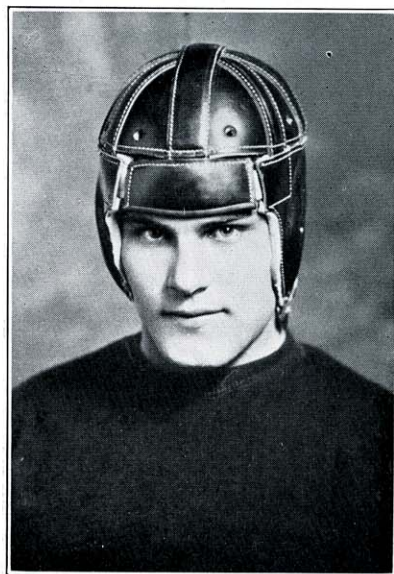

The Tigers next journeyed to St. Marys' on October 23, and outplayed them all the way through the game. In the fourth quarter a St. Marys' half-back intercepted a Tiger pass and ran 75 yards for a touchdown. The Tigers drove

the ball to the shadow of the goal post, time after time, and seemingly making first and tens at will, but could not score. A St. Marys' halfback intercepted a Tiger pass in the last few minutes of play and ran 70 yards for a touchdown. As a result of the costly break, the score stood 6-0 in favor of St. Mary's when the final whistle blew.

Spurred by the defeat by St. Marys', the Tigers, accompanied by Seabury and the band, expected to get revenge on the Terrible Swedes at Lindsborg on October 31. But Bethany put over the first touchdown by a series of passes in

the first quarter and kicked goal. In the second quarter the Hays Tigers marched for a touchdown carried by McFerrin. The try for point failed. In the fourth quarter a Bethany safety returned a Tiger punt for a touchdown. Though the Tigers threatened time after time, the game ended with the score Bethany 14, Tigers 6.

Ideal weather prevailed for the Tiger Home Coming Day, November 15, and to make it a perfect day, the Tigers defeated the highly "touted" Wheatshockers of Fairmount. The Tigers, finally hitting their stride, outplayed the

opponents until the last quarter, when Fairmount, by launching an aerial attack, which carried them the entire length of the field, made a touchdown. Nelson, by intercepting a pass, put the Tigers within the scoring distance. Fisher and McFerrin each scored a touchdown for Hays in the third quarter. The final score was Hays 13, Fairmount 7.

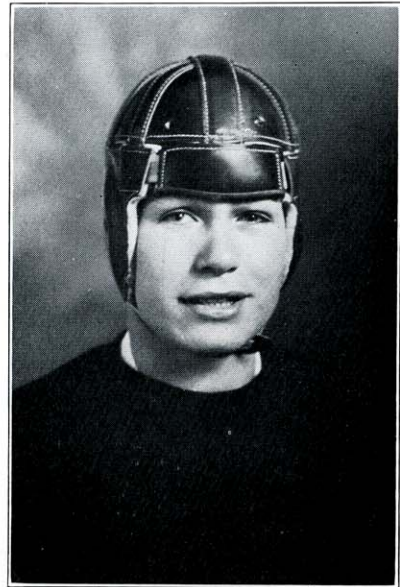

The next venture of the Tigers was at Sterling on Thanksgiving day and this battle gave the Tigers the last victory of the season. During the first quarter, the Sterling Giants had a punt blocked by Dumm, Tiger tackle, and they

recovered, netting the Tigers 2 points. Then the Giants, inspired by a Home-Coming crowd, punched over a touchdown. Late in the game a Sterling fumble was scooped up and carried by Dumm, to the Sterling 2-yard line. It was then carried over for a touchdown by MacKenzie. The game ended with Tigers 9, Sterling 6.

Mandy's Marvels

"Mandy's Marvels" was a mighty fine team of third strong boys who were too light to make the varsity football squad. It was not unusual for the fast backfield men, Riegel, Osborne, Dlabal or Landry to dash through the first team line for good yardage. Cooley and Norton were other backfield men.

Prominent linesmen on the "Marvel" eleven were John Forker, center; Bill Conant and Ernest Hart, guards; Wallace and Chester Steeples as tackles; Burnette and Kimerer as ends. Snodgrass and Christensen were sub-linesmen.

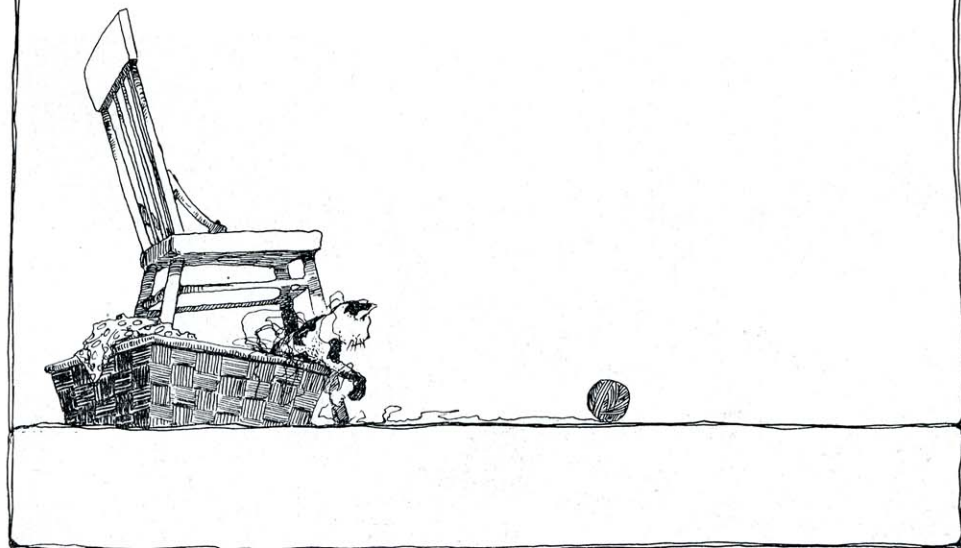

The Marvels, beside battling the varsity, played two games with Garden City Junior College of Garden City. The first game was played at Hays and the second at Garden City. The Marvels won 33-0 and 14-0, respectively.

Osborne, Riegel and Dlabal featured in the games. It will take some good playing on the part of other boys to keep the Marvels off of the Varsity next fall.

K. S. T. C., Hays Tigers

Fight, Tigers, Fight!

K. S. T. C. enjoyed probably the best season in basketball this year because a member of the Kansas Conference. It was the best from the point of interest shown by students and townspeople, from the point of games won and lost, and from the support shown by gate receipts.

Ten games were won and five were lost. Our final standing was fourth among the seventeen Kansas Conference teams. Washburn of Topeka, and K. S. T. C. of Pittsburg tied for the lead with thirteen won and two lost. Southwestern College of Winfield was the only other team to finish in front of us with nine games won and three lost. The fact that Washburn won the National A. A. U. Tournament at Kansas City speaks very well for the quality of basketball played in Kansas.

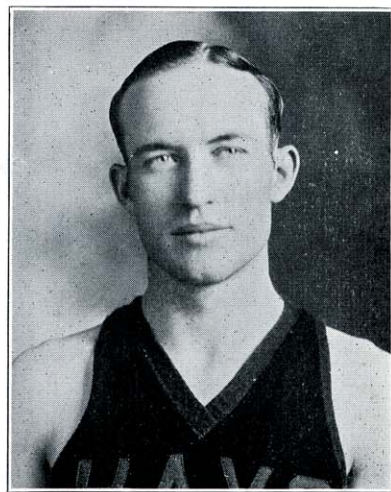

KENNETH HINKHOUSE, *Palco*
"K"
Captain '25
Forward '23, '24, '25

The 1925 Tigers were all veterans. Of the seven men who were awarded letters last year five returned this year. Captain Kenneth Hinkhouse was back as forward and made his third and last letter. His playing this year was much more consistent than ever before and he could always be depended upon to score

a goodly number of goals from the floor. In the fifteen games Hink made 58 goals from the floor and was a high scorer in that department. His 13 free throws kept his score lower than it might have been.

Ernest "Dutch" Lorbeer, center, extraordinary, made his fourth and last basketball letter this year. He was the high point scorer of the team with 51 goals and 32 free throws although he played only the first thirteen games. His best game was his last one—against Baker, in which he made 19 points. Dutch was placed on the second All-Kansas Conference team as center and Captain. Dutch was one of the best, if not the best, all-around athletes ever sent out from K. S. T. C. Hays.

The other man to leave this year, Jack Riley, guard, four-letter man, gave many a demonstration of what the word fight should show. While Jack is rather small and light, there never appeared any forward who could make height and weight a disadvantage to Riley. Good on defense and good at making a quick thrust on offense he has been very valuable to the team. He found time to slip

down and make twenty-three field goals, besides fifteen free throws.

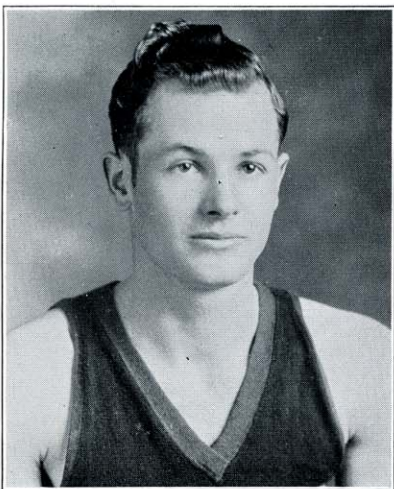

Walter McFerrin, next year's Captain, was the other guard. This is Mac's second year and a wonderful game it was that he played the entire season. Mac was one of the most consistent players. He never had an "off" night. His judgment and coolness carried the team over many crucial situations. Much is expected of him and his 1926 Tigers and we will rest assured that any task given to him will be well and completely done.

Kenneth Wheat of LaCrosse was the other forward with Hink. Wheat started the season with some of the flashiest basketball we have seen, but suffered from an attack of flu at mid-season which held him down until the season was well gone. He started the season well and finished in a blaze of glory against St. Mary's. Wheat is a good shot and will make a lot of points in any game.

The other two men to make a letter this year are Paul Christensen and Darrell Hinkhouse, brother of the Captain. Christensen was sub-center while Dutch was in school, but when Dutch left with the two St. Mary's games still

to be played, Paul stepped in at center and held up that position in quite a remarkable fashion. He made ten points each game and did well on defense and floor play.

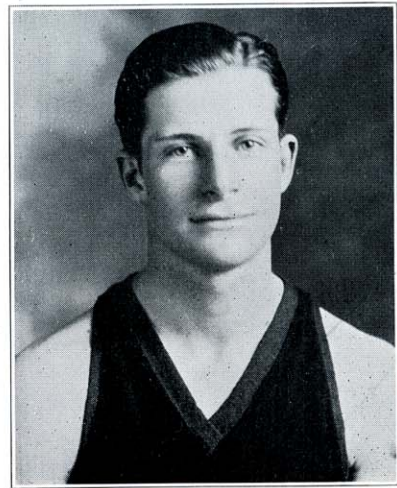

Darrel Hinkhouse, one of the hardest working men of the entire squad, gave a lot of fine exhibitions of floor play, and it was he who was in no small measure responsible for the rally which snowed St. Mary's under in the second game at St. Mary's. A hard worker with a lot of basketball ability.

Harold Opdycke ("Uppie") goal shooter; Burr DeWald, forward; Johnny Lorbeer, forward; Lawrence Eichmann, forward; Maxwell Sherbon, center; Floyd Cooley, center; Joe Timkin, guard; Louis Lapaille, guard; Andy Riegel, guard; Ralph Bryant, guard; Byron Rogers, guard, were

all good men with a lot of ability. It was these men who battled the first team each evening and to them goes no small amount of credit for the teams' having done so well. We hope to see all of these men battling for a regular place next year.

Track team, 1925

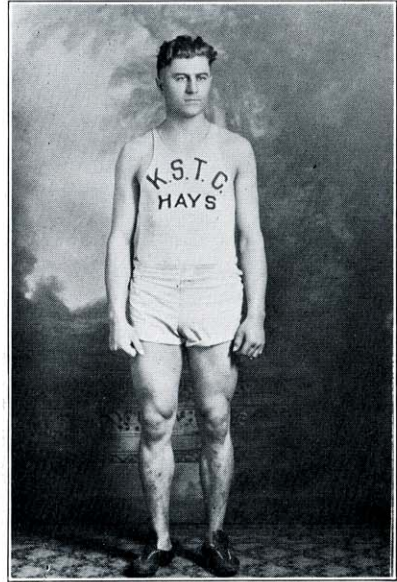

Track

TRACK was resumed at K. S. T. C. Hays last spring after being discontinued for four years. There were no letter men in school, so this sport had to be built up from near the bottom. There were in school, however, a number of good track men, and the school made a very creditable showing.

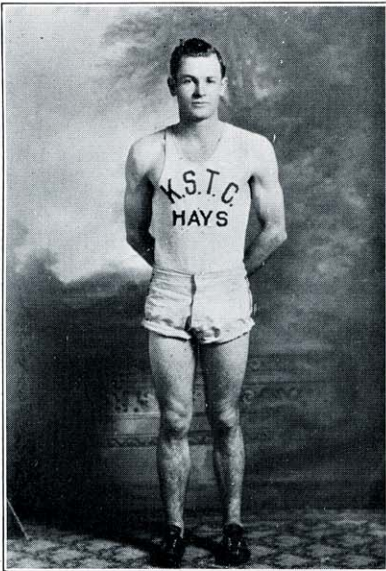

Two dual meets were held, one with Bethany of Lindsborg and one with Bethel College of Newton. Bethany won one dual 72 to 45 and K. S. T. C. won from Bethel 76 to 41. The team was entered in the pentangular meet at Salina and finished fourth with 23 points. Wesleyan won the meet with 54 points. K. S. T. C. won the relay in this meet.

For 1925 we have back in school the following letter men: Jesse Nelson, Captain; Russell Anderson, quarter and half mile; Lawrence Becker, hurdles and broad jump; Burton Osborn, quarter and relay; Harold Opdycke, hurdles and two-miler.

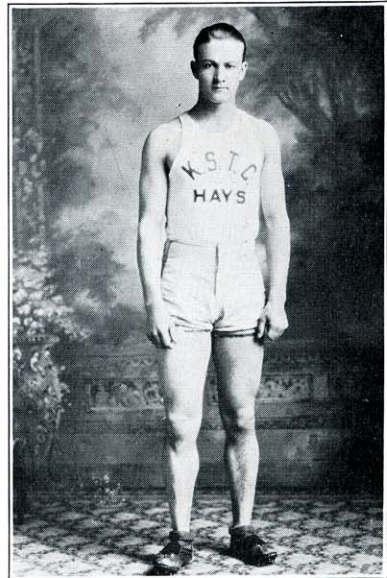

With these men and the following new men it seems assured that K. S. T. C. will make a fine showing in track this spring. Braden Claibourn of Hoxie in the 100-

yard, 220 and 440 seems to be a sure winner. He was second in the 220 in the state meet last spring. Carl Dews, another Freshman from Great Bend, is a good sprinter, hurdler and broad-jumper. He also throws the discus and is counted to win a lot of events this season. Adolph Anderson of Osage City shows real well in the high hurdles and high jump. Lewis Lapaille of Clyde puts

the shot around 42 feet and throws the discus 115 feet. Kenneth Wheat, javelin thrower from last year; Ernest Hart and Floyd Cooley, all throw the javelin around 145 feet. The weakest part of the team will probably be in the two-mile and one-mile run, although some of the new men are doing good work in those races.

FOOTBALL SONG

Come cheer for the Hays State Teachers
College
We're going to win another victory
The Gold and Black we will ever wave in
triumph
For the K. S. T. C. Hays, Rah, Rah, Rah.
Fight to the finish we are with you
Break through the line on every play
Rush the ball on down the field
And we will win this game today.
When K. S. T. C. Hays men fall in line
We're going to win again another time
For K. S. T. C. Hays I yell, yell, yell
Yes for old K. S. T. C. Hays I yell, I yell, I yell
So fight, fight, fight for every yard
Circle the end, and hit the line right hard
And roll the Wesleyan men upon the sod

Women's Athletics

Miss Martha Hill, Professor of the Physical Education Department for Women, received her training at the Kellogg School of Physical Education, Columbia University, and the Vestoff-Serova Russian School of Dancing.

Miss Edith Ballwebber, assistant Professor of Physical Education for Women, is a graduate from Kellogg School of Physical Education at Battle Creek.

Although this is Miss Ballwebber's first year here and Miss Hill's second, they have greatly increased the course of study of the Physical Education Department and have raised the requirements for majors and minors in the department.

It is through their interest and co-operation that the Women's Athletics Association has made the advancements that it has this year. Every member as well as other girls on the Campus has a love and admiration for them and appreciate their valuable assistance.

Telegraph Department

THE equipment in this department was installed at a total cost of over \$5,000.00. Three Union Pacific main line wires are cut into the office, and are used for practice in receiving and sending messages.

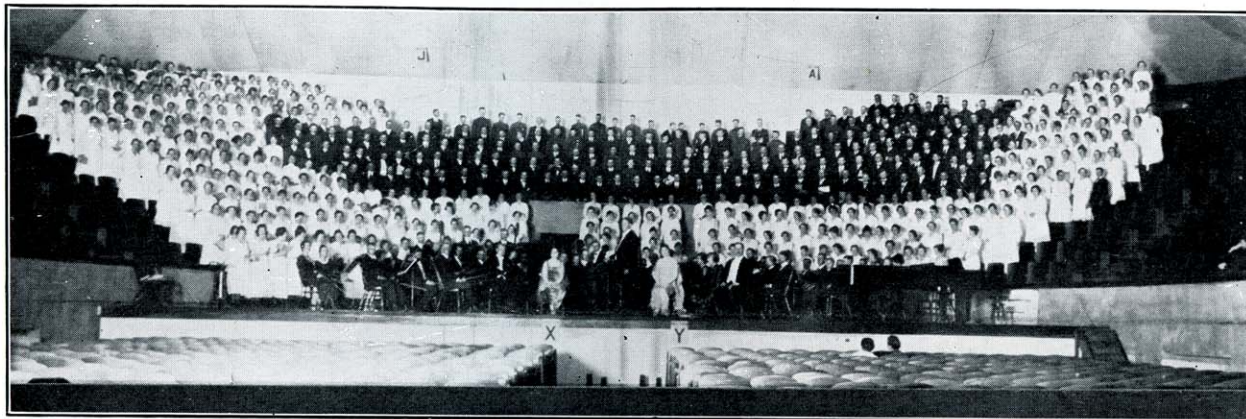

The small enrollment fee asked by the school is one of the many inducements offered by the school to prospective students in this department. The total fees for the school year are \$34.00. The smallest fee asked by any professional school is \$110.75 for the same course. The College absolutely guarantees to the student a position promising advancement.

The Reveille

In looking over the work we find that there is much which we wish could have been included, but could not in this volume. However, the staff has done its best to portray the life of the entire student body of this year and has endeavored to give to each class, organization and student an equal share. May you read this Reveille with as much happiness as we have found in its creation.

The Leader

The Leader first came to light in Hays on March 18, 1908, when a small 12-page booklet, 6"x9", was published by the Western State Normal School. The size changed three times during its stages of development and the name varied somewhat. In September, 1913, this publication grew into an 8-page paper of a magazine type and changed its name from "Western Normal Leader" to "Normal Leader." Another jump in growth was made in September, 1915, when the present size and name was obtained. The Leader was published semi-monthly from the start until 1923, when it was made a weekly paper.

LORBER BROTHERS JOIN THE PIRATES

"Dutch" Finishes College Career with Hays Teachers

"Dutch" and Adley Lorbeer are to join the Pittsburgh Pirates, on their way to their spring training camp at Paso Robles, Calif., about the middle of the week. The boys have signed up to go with this major league team for the season.

Their agreement with the Pirates is the result of a brilliant season with the Hays State Teachers' College, the Hays town team, and other amateur teams last year. This very unusual step, from amateur baseball, to the major leagues, only serves to emphasize the quality of their work. As the

Are We So Slow?

The Emporia Bulletin of Feb. 17, says:

"Hays Teachers College has installed a journalism department. No journalism subjects have been offered at the school previous to this."

The writer must have forgotten to head the article with "What happened ten years ago." There are several ex-students of Hays K. S. T. C. who have had a course in Journalism in this college.

BAKER UNIVERSITY TAKES THE COUNT

Tigers Humble Opponents With Avalanche of Field Goals

Displaying a brand of basketball that is hard to parallel, Hays Tigers snowed their opponents under an avalanche of field goals, and beat Baker University to the tune of 47 to 29, on the local court last Wednesday night.

Time after time the Hays quintet fought the ball swiftly down the court, passing, batting, dribbling and shooting with unerring accuracy. The Baker team amazed by the unexpected speed of the Hays machinery was helpless before the onslaught of the Tigers.

Captain Dalton, of Baker, pluckily called numerous time-outs to stem the oncoming tide, but this only seemed to infuriate the hosts. The teachers were always back onto their prey with renewed energy. They completely outpassed, outscored, and outgeneralized their heretofore favored opponents.

The scoring started immediately after the tipoff when Riley, Hays guard, was fouled by Fulton. "Jack" (CONTINUED ON PAGE THREE)

Debates Scheduled

Three more debates for the boys teams of Hays have been scheduled. All of these debates will be held at Hays College.

The freshman team, Victor Seibert and Joe Callahan, will debate the Manhattan freshman team on Mar. 2. The next team, Seibert and Edgar Reed, will debate the Pittsburg team Mar. 20, and Kansas City University team tentatively April 10.

NELSON TO LEAD 1925 TRACK TEAM

Prominent in Athletics and A Consistent Winner

Jesse L. Nelson, of Gove, has been chosen captain of the Hays State Teachers College track team for 1925, according to an announcement made Wednesday of this week by Coach Frank T. Mandeville. Nelson is a two-letter track man and also a football letter man, and has been prominent in other school activities. He tosses the weights and does the broad jump, and is always a consistent point winner in the spring meets.

Coach Frank Mandeville has seven letter men around whom to build his track squad, in addition to some very

RECITAL IS GIVEN

Hemphill Appears in His Final Performance

An attractive program of violin music was offered in an equally pleasing manner by Donald Hemphill who gave his graduation recital on Friday evening, Feb. 20, in the college auditorium.

Mr. Hemphill plays with a beautiful, singing tone; his technique is clean and controlled; and he interpreted his numbers with youthful spirit and energy. He gave two sonatas in a style which disclosed a capacity for sensitive phrasing, smoothness of passage work, and interesting interpretation. The Mendelssohn Concerto, and the pieces comprising the last group were brilliantly achieved. The audience seemed to be particularly impressed by the warmth, sympathy, and fervor with which the Ave Maria was presented.

FRAT PAYS HONOR

"Dutch" Lorbeer Esteemed by Kappa Phi Alpha

Members and pledges of Kappa Phi Alpha paid honor to a fellow member, Ernest "Dutch" Lorbeer with a farewell banquet and party dance last Saturday night.

The Lorbeer Banquet Hall was a colorful scene of activity when Kappa Phi Alpha, pledges and guests, totaling a number of forty persons assembled at the six-thirty hour Saturday evening when they partook of a four course banquet. The banquet room was neatly decorated in purple and white, featuring white candles.

Between courses toasts were given which portrayed the baseball career of the honored one. "Strike One" was the first subject talked upon when Earl Oyer portrayed "Dutch" playing baseball during his barefoot days. When they took up the subject of "Strike Two" and spoke of Lorbeer's athletic career in Hays K.

The College Printing Press

UNDER the direction of Walter Wallerstedt, a printer of eighteen years' experience, the printing of K. S. T. C. has developed during the past four years until today it is a modern, fully equipped shop capable of turning out work of the highest quality. Out of the little make-shift shop of 1920 has grown the \$12,000 plant.

The shop was established five years ago, and at first was operated largely by students under the direction of Dean F. B. Lee. Then Mr. Wallerstedt, who prior to his coming here had been foreman of the mechanical department of the Salina Daily Union, was engaged to take charge of the K. S. T. C. plant.

The shop is now equipped with a linotype machine of the latest model, new presses, and other necessary machinery. Each year Mr. Wallerstedt and his helpers turn out a large amount of high class printing. The shop prints The Leader, weekly student publication with an approximate circulation of 500, and Public Service, a bi-weekly extension paper of 9,000 circulation. It also turns out programs, bulletins, invitations, stationery—in fact, all kinds of printed matter used about a college.

Mr. Wallerstedt is a master craftsman. His work has received much favorable comment and has won for him an enviable reputation in his profession.

A HALLOWE'EN SPRITE

On Hallowe'en, Miss Ballwebber, who rooms at Mrs. Stevenson's, went up town. She called Mrs. Stevenson by phone and the following conversation ensued:

"Hello, this is the operator talking."

Mrs. S.: "Yes."

Miss B.: "We're going to dust the lines tonight. If you don't want your house to get dusty you had better tie a sack over the mouth-piece of the telephone."

Mrs. S.: "Won't a silk handkerchief do?"

Miss B.: "I fear the dust would go through that, you had better use quite a large paper sack."

Mrs. S.: "All right."

Miss Ballwebber, upon her return to the house was surprised to see the sack tied over the mouth-piece of the telephone. She questioned Mrs. Stevenson about it and she explained the situation.

Late in the evening the telephone rang. Mrs. Stevenson removed the sack and found it to contain lots of dust—(Tan suede powder deposited by other girls.) She ran upstairs and explained how grateful she was, not to have the dust collected on the furniture.

Professor Mark Hoffman evidently doesn't like the thrill of the swimming pool as much as he thought he did, judging by the crescendo and fortissimo sounds coming from that part of the building Monday evening, March 30. Sharps and bb flats did not bring sufficient results. No keys were available, so he had to be flat and resort to fist movement on the bars of the dressing-room door. Then by wide jumps, he broke the chords, went down the scales and landed in space on the sounding-board of the dressing-room floor.

Great eyes that hide the soul inside;
The rooms—all stripped and still and bare,
A loved home—unoccupied.
And in those corridors there stalks
My ghost, a-searching all in vain
For vanished forms—forgotten, lost—
And never to return again.

II

Stone treasure house of memories,
Some bitter, sweet, glad, some dear;
To your wide steps returning feet
Will blithely skip some other year.
I doubt if two, be they feet of mine;
But guard as yet with patience rare
The memories and heart I left behind,
When, faltering, I quitted there!

—L. MAUDE CHRISTY.

You Are A Capitalist --- did you ever stop to think of that?

The word "Capitalist" refers to one who has wealth.

Wealth does not always refer to money or to worldly goods. Good health is wealth, and also is a sound mind.

Good health and keen intellect are sometimes more valuable than gold.

Every ambition, in order to be realized, needs to be built on a solid foundation. The foundation that is most needed for getting on in the world is a good, healthy, growing checking or savings account.

Successful people give different reasons for what they have achieved, but all unite in saying that SAVING is the first step.

If you have no account with us, we cordially invite you to open one. If you HAVE one, keep adding to it, week in and week out. It is the surest way to ARRIVE. With most of us it is the only way.

A dollar spent is the end of it.

A dollar saved is the beginning of it.

HAYS, *The Metropolis of Western Kansas*

AS THE years go by, Hays is gradually coming into its own as the commercial center and also the educational center of Western Kansas.

One of the factors that has contributed to the town's development and growth is the Kansas State Teachers College, whose existence and growth has meant much to Hays and to all of Western Kansas. Sheridan Coliseum, one of the magnificent college buildings, has won the title "The Convention Hall of Western Kansas," for it has in addition to exceptional acoustic properties, a seating capacity of 5,000 people.

TEAM-WORK has done much for the town and the school in years gone by. The future holds great promise for Hays because of its educational advantages.

Class of 1925, Hays is proud to have been able to offer you the opportunities for advancement in an institution of such high standing as the Kansas State Teachers College.
